PRIMARY MOSDOS LISTING

The Primary Mosdos Listing—the listing of all Chabad Centers—includes only the primary Lubavitcher *mosdos* of each area. The Shluchim Office uses this listing when sending its periodic mailings and faxes.

If you are opening a new Chabad *mosad* or your existing *mosad* is not listed in the Primary Mosdos Listing, please fill out the Mosad Registration form below.

We are unable to accept un-signed forms.

Please print clearly and enter all available information.
