SONG AND LYRICS

Tzeirei Hashluchos song – 5780 / 2020

A child I was
All of four
With my parents
Through the palace door
She spoke with them
In her special way
While I looked for children to play
There were no children
To be seen
So I turned to the Rebbetzin
Our Queen
I looked into her beautiful eyes
"Where are your children?"
I asked in surprise.

Eyes full of love
Brimmed over with tears
Her look I'd remember
All my years
Her face shone with pride
As she replied to me
"My children are in 770..."

Gathered here tonight
A force of shining light
Rebbetzin, we all belong to you!
One family, one goal
United, heart and soul
Bringing Moshiach Tzidkeinu.
