Every Jew is part of one big family. You are always at home with family, no matter what your background or level of observance.

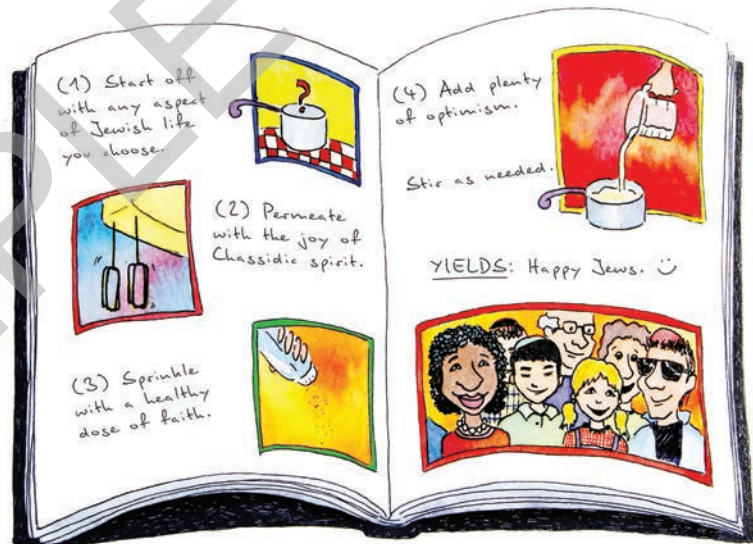

The lawyer explained to Julia and David that their inheritance belongs equally to all Jews.

02

**Torah is the inheritance of
every Jew. It is yours.
Feel free to claim it.**

03

Joy! Every activity at Chabad
is permeated with the
Chassidic spirit of love, joy,
faith and optimism.

04

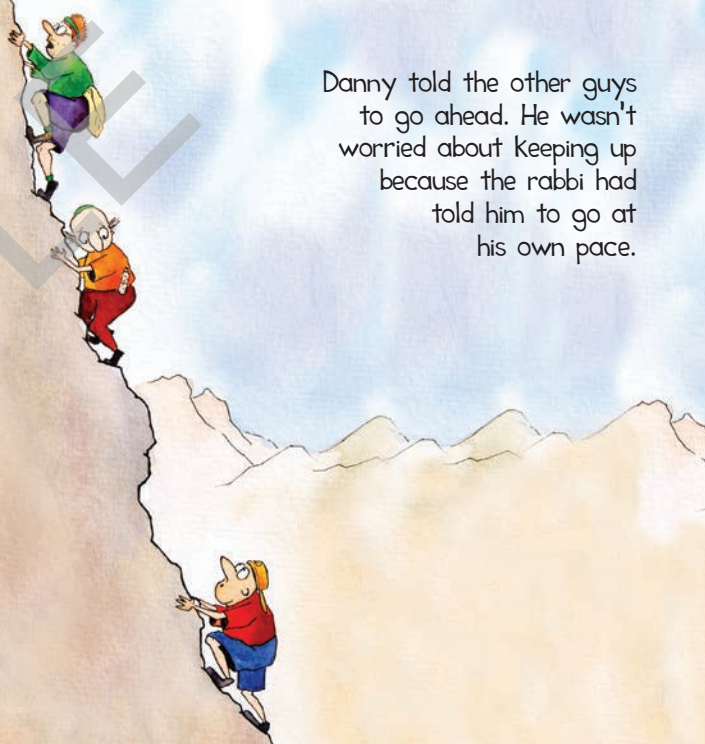

What Cheryl doesn't know is that all mitzvot have infinite value.

**Judaism is not all or nothing.
Every good deed and mitzvah has
its own inherent, unlimited value.
Our goal is to increase your MQ
(mitzvah quotient) by providing
opportunities to learn Torah
and do mitzvot.**

05

To live is to grow.
Yet we each grow at our own
pace. Chabad offers you the tools
to delve into Jewish teachings
and integrate them into your life
on your terms and your timetable.

Danny told the other guys
to go ahead. He wasn't
worried about keeping up
because the rabbi had
told him to go at
his own pace.

Realizing there were
no out of bounds
gave Harvey renewed
zest for the game.

06

**Life is a journey, a search for
answers. Every question is a good
one. The only bad question
is the one left unasked.**

07

We are committed to providing a full spectrum of Torah learning opportunities from the practical to the mystical, for all levels of knowledge.

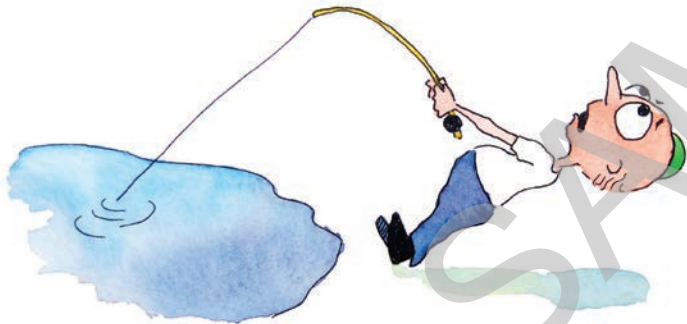

If you want to explore a Jewish topic, please let us know!

As he left the Chabad House, Brian considered the possibility that he might not see out of his rearview mirror on the way home.

Sam was surprised when
the Rabbi and his wife
stopped what they were
doing to help him
with his catch.

08

**Caring for others is the
core of Judaism. If there is
any way we can help anyone
in the community, materially
or spiritually, please let us know.**

09

Each Chabad center is an independent entity financed by voluntary contributions. No one is turned away for lack of funds.

Our support comes from this community and remains here.

10

We are about Judaism, not affiliation. Whether or not you belong to a synagogue or other Jewish institution, Chabad can add spirituality, study, community - or just some good soul food - to your Jewish life.
