Bnos Chabad Update!

Did you see us this Chanukah? #ChanukahChallenge managed to spread some serious light in all corners of the earth by our incredible Online School Shluchos. Teves brought us a Hey Teves Program, complete with guest speakers, dancing, farbrenging, and more! Our big and little sisters finally got to have an official meet 'n' greet in honor of Chof Daled Teves! Our amazing tech-savvy students somehow managed to maneuver themselves into the right breakout rooms, where we sat back and watched as 180 big and little sisters played games, got to know each other with funny Would-You-Rather questions, and read amazing stories about the Alter Rebbe. #LetsChalkShabbat had another smashing round in honor Rebbetzin Chana's birthday, and we began Shvat with a gorgeous 10 day Hachana in honor of Yud Shvat, where we are Strengthening our Klik - Hiskashrus - to the Rebbe! The Hachana is complete with beautiful stories, questions, Basi Ligani memorizing, and daily Klik raffles. Throughout the Hachana we are learning sichos and stories that tell us of our unbreakable bond with the Rebbe, and remind us of the Rebbe's constant presence in our lives. Counting down the days till Day of Celebration where we get to see all of our favorite Online School Shluchos!
